If you would like to serve as a chaperone, you must complete the Mandated Reporter Course and sign the Guidelines for Volunteer Field Trip Chaperones document on the website. You must email your child's teacher in order to volunteer to chaperone on a field trip. Your child's teacher will confirm your participation.

How are field trips calculated? The field trip cost is the price of admission plus transportation. Transportation for each field trip is computed as follows: mileage (number of miles from the school to the venue) x 1.50 plus \$25.00 per hour (from departure to arrival back at the school). This cost for each bus. The total amount is divided by the estimated number of students who will attend the trip.

If we do not collect enough funds to cover the cost of transportation and admission for the field trip, it will be cancelled. Refunds will accompany any cancelled trip with 48 to 72 hours of the cancellation.

All payments need to be made at www.mypaymentsplus.com between the dates provided for each trip.

NO payments will be accepted after the last date listed above. NO EXCEPTIONS!
