

Leadership Preparatory Academy

Weekly Homework Calendar for the Week of

October 1st - 3rd 2018 for Science AND Math only !

GRADE

Note: Lower School Science and Math teachers will assign homework Mon. & Wed. Science homework on Wednesday and Math on Monday's ! Homework is an extension of what was done in class for the day/week and require the students to show what they learned and can do on their own. Students are able to use their notes and classwork for assistance. They will be graded based upon completion and effort and used to check for understanding. Students in all grades are required to read each night for 15 min. and complete their reading log.

	Monday	Tuesday	Wednesday	Thursday
Math	Standard(s) for the Week: MGSE.2.NBT.1: Understanding that the three digits of a three- digit number represent amounts of hundreds, tens and ones. MGSE2.NBT.2 Count within 1000; skip-count by 5s, 10s, and 100s. MGSE.2. NBT.3: Read and write numbers to 1000 using base-ten numerals, number names, and expanded form. MGSE2.NBT.4 Compare two three-digit numbers based on meanings of the hundreds, tens, and ones digits, using >, =, and < symbols to record the results of comparisons. MGSE2.MD.10 Draw a picture graph and a bar graph (with single-unit scale) to represent a data set with up to four categories. Solve simple put-together, take-apart, and compare problems using information presented in a bar graph
