

States of Matter Science Project

Due Date: **September 28, 2018**

For this project, you will create a poster board displaying the three states of matter discussed in class (solid, liquid and gas). For each, glue on objects, use photographs or draw pictures that represent each state of matter. Each state of matter needs to have at least three example. Each example needs to be clearly labeled. Please have this rubric attached to the back of the poster board when it is turned in.

Criteria	Possible Points	Student's Points
Three examples of a solid	6	/6
Three examples of a liquid	6	/6
Three examples of a gas	6	/6
Organization/ Clearly labeled	5	/5
Turned in on time	2	/2
TOTAL	25	/25

*1 extra point if the fourth state of matter is named on the poster!

*3 extra points for creativity!
