Dear Parent/Guardian,

The DeKalb County School District (DCSD) utilizes the Northwest Evaluation Association Measures of Academic Progress (MAP) as the initial assessment towards gifted identification each school year for students in grades K-10. Students who score $\geq 90\%$ RT (Reading Total) **or** $\geq 90\%$ MT (Math Total) on the nationally norm-referenced assessment (MAP) will take additional gifted formal evaluations. Although the MAP assessment is administered three times per year, the gifted eligibility window is August–September for currently enrolled K-10 students and December–February for currently enrolled K-2 and new students.

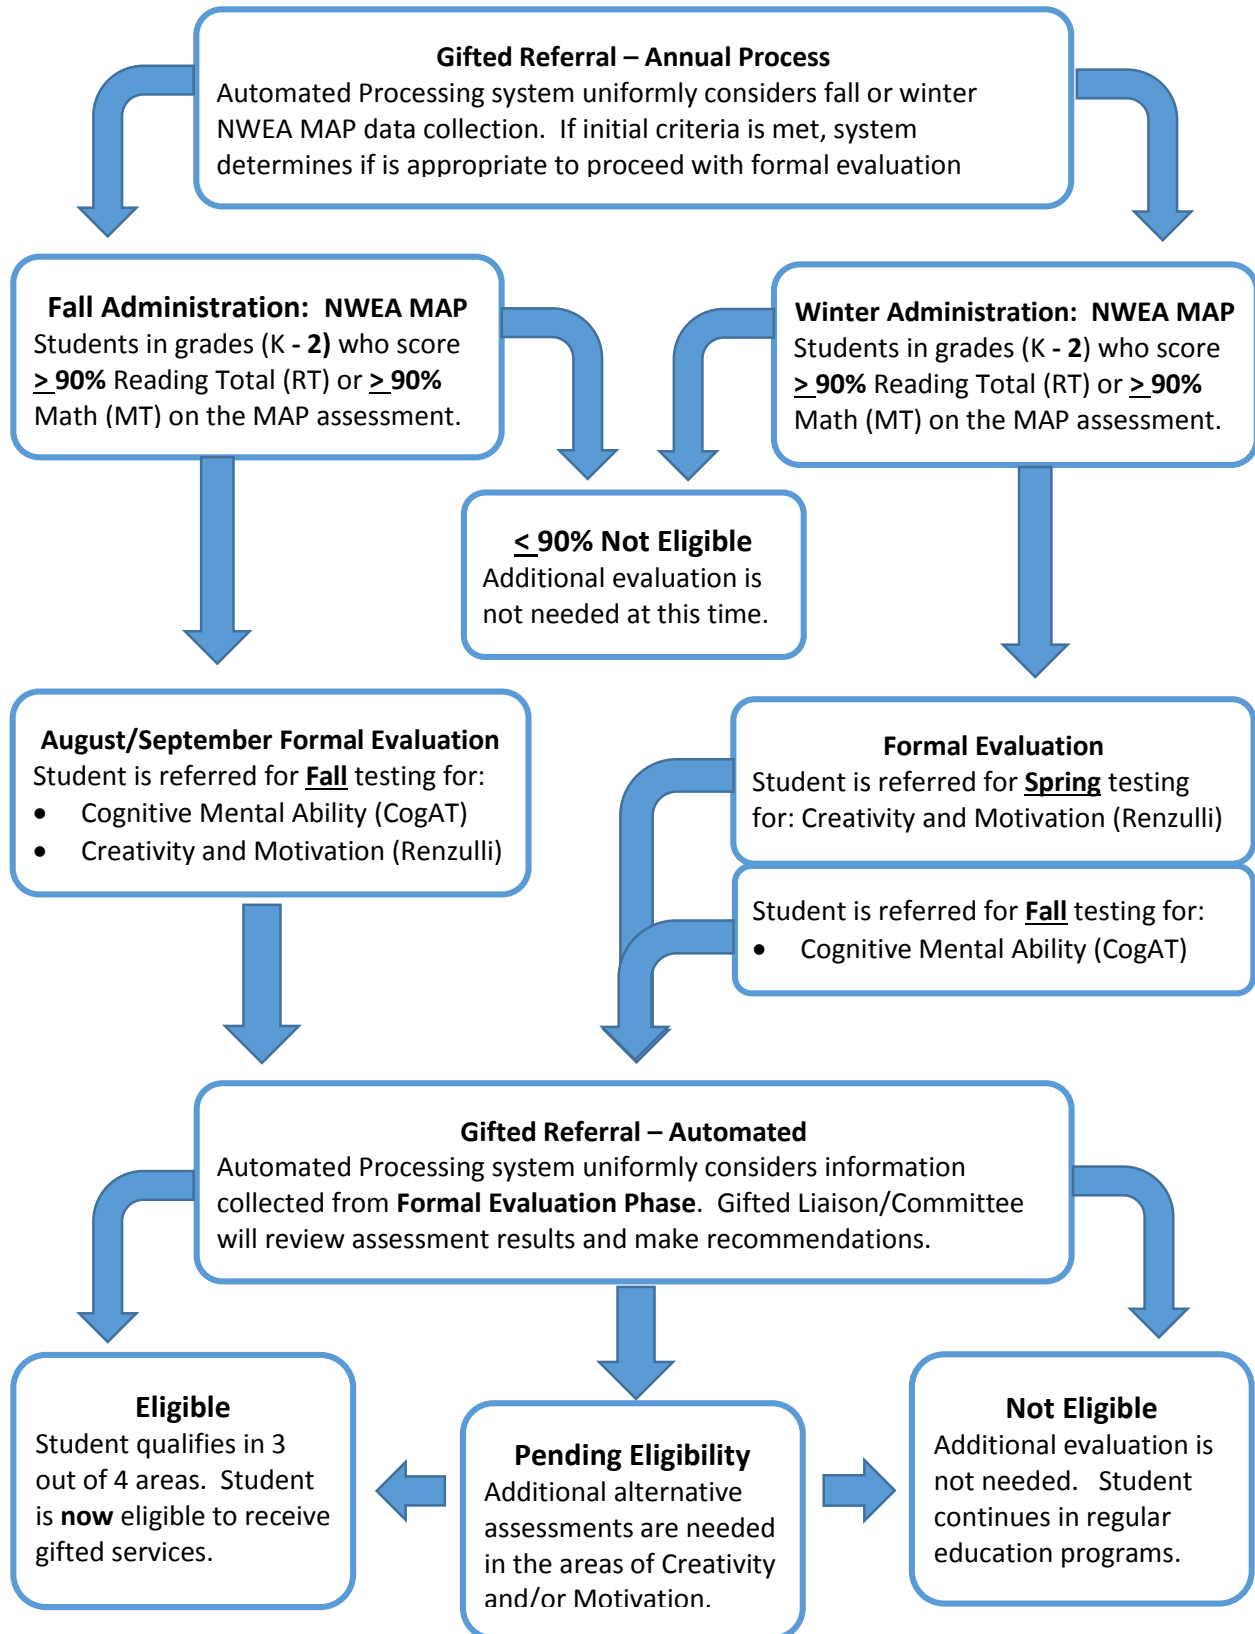

If you have any questions or concerns, please feel free to reach out to Dr. Itaski Arnette, Senior Academic Coach by email at itaski.arnette.lpa@gmail.com.

Sincerely,

Tonya Williams
