October 31, 2018

Dear Parents,

The Georgia Department of Education has released the 2018 College and Career Readiness Performance Index (CCRPI) for all Georgia schools. These scores are comprised of multiple measurements and evaluation methods, and each school is provided with a numerical score from 1 – 100.

Many of you are aware that the reauthorization of the Every Student Succeed Act (ESSA) required every state to submit a plan that will best offer educational opportunities to meet the needs of the state and its students. The plan from Georgia was approved in January of 2018. Due to the changes in the Georgia plan, the CCRPI was redesigned based on feedback from educators, parents, students and other stakeholders in our state. While some components of the CCRPI have remained the same, some components and indicators, as well as weighting have changes. To better help you to understand those changes, I encourage you to review the following attachment:

*A Family's Guide to Georgia's CCRPI* <http://www.gadoe.org/Curriculum-Instruction-and-Assessment/Accountability/Documents/Resdesigned%20CCRPI%20Support%20Documents/Family%20Guides/A%20Family's%20Guide%20to%20Georgia's%20CCRPI.pdf>

Leadership Preparatory Academy's CCRPI score for our Elementary is 81.1 and our Middle is 89.1. Our school's average score is 84.1. For additional information about our performance measures, please click on the following link: [http://ccrpi.gadoe.org/2018/Views/Shared/\\_Layout.html](http://ccrpi.gadoe.org/2018/Views/Shared/_Layout.html) and type in the school's name. I am extremely proud of the work of our teachers, parents and scholars as we continue to fulfill the vision and mission of our school.

Please continue to support our efforts in demonstrating **academic excellence** by supporting your scholar's teacher, the PTO and visiting our website often!

Sincerely,

*Tonya Williams*

Dr. Tonya Williams, Chief Academic Officer and Chief Learning Officer
